ABOUT COMPANY

Solution House produces and supplies finest varieties of garments accessories. It was established in 2019. With time, we have expanded to producing garments accessories, namely woven label, satin label, paper label, plastic label, heat seal label, printed label, offset printing, hang tag, price tag, paper box, paper bag, paper sticker, twill tape, draw cord, drawstring, plain elastic, woven elastic, jacquard elastic, mobilon tape, plastic & wooded hanger, hanger loop, poly & many more. Nowadays we are providing a range of exceptional quality garment accessories to the apparel sector of Bangladesh.

Our main strength is quality product, competitive price, dedicated team & commitment of in time delivery.

CEO STATEMENT

Shaokat Mahmud

This is Shaokat Mahmud. I have completed my MBA from BGMEA University of Fashion & Technology (BUFT) in Apparel Merchandising and Graduation in Economics from National University. I am a Certified Supply Chain Manager (CSCM™) from ISCEA, USA.

I worked in garment industries from 2009. I am expert in production, quality, business planning, production planning, operations, sourcing, pricing & negotiations.

I started business shortly from 2019 and now full time business person in this trade.

MISSION

We will constantly strive to meet market demand, providing quality product and service to the satisfaction of clients.

The way we work together determines the way we succeed.

& VISSION

To create a trustworthy supplier.

Alone we might be small, but together we can stand some giant's tall.

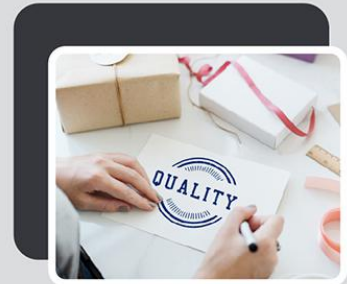

MARKETING TEAM

An experienced marketing team is engaged in Solution House. They always visit our valued customers' offices and procure orders from the development stage. Then take necessary steps to make a quality product and deliver smoothly to client's places.

QUALITY CONTROL TEAM

Solution House has an efficient quality control team. The team's responsibility is to inspect raw materials & finish products before delivery to the valued clients. They are always ready to meet the client's requirement.

DELIVERY TEAM

A delivery team is always vigilant for quick delivery. We also have delivery van to meet our committed time.
